

# LAPC RESOLUTION 5 - 2010

## Adopting THE

### *2035 Coulee Regional Bicycle Plan*

**WHEREAS**, the U. S. Department of Transportation regulations require the development and approval of a long-range transportation plan for the metropolitan planning area by the La Crosse Area Planning Committee (LAPC), acting a Metropolitan Planning Organization (MPO); and

**WHEREAS**, the *2035 Coulee Regional Bicycle Plan* is a component of the long-range transportation plan for the La Crosse and La Crescent area; and

**WHEREAS**, the LAPC recognizes that the bicycle plan will help the area municipalities, agencies and citizens prioritize and implement recommendations to improve the safety and usability of bicycle accommodations within the region; and

**WHEREAS**, the LAPC recognizes that increased use of bicycles for travel will help to reduce green house gas emissions and congestion due to vehicle travel; and

**WHEREAS**, the LAPC recognizes that increased bicycle use will be beneficial to the health of area citizens and promote the sustainability and livability of the area;

**NOW, THEREFORE, BE IT RESOLVED:** that the MPO adopts the *2035 Coulee Regional Bicycle Plan* as being consistent with metropolitan plans and policies.
